Customer Reviews

This is part of the learn to read series and is marked as beginning to read alone 2. It is colourful, 32 pages long, with a well chosen large font and several sentences per page. However, the vocabulary is not terribly well chosen for a beginner read alone. Words like 'strengthening', 'easily' and 'vault' are suitable if that vocab is already familiar - but difficult for a non- gymnast, reading at this level. It is a moderately easy read - my gymnast daughter read it at age 4. Probably reading age 6.11May be better suited to a read aloud, initially. Pictures are good. Vocabulary, once familiar is good for practicing.A short term use book.
