R Is For Rhode Island Red: A Rhode Island Alphabet (Discover America State By State)

Synopsis

Our alphabet journey takes us next to the charming state of Rhode Island in R is for Rhode Island Red: A Rhode Island Alphabet. It may be our smallest state but its presence is unmistakable -- rich in history, breathtaking beauty, and famous for its neighborhoods filled with character. With every turned page readers will be treated to Rhode Island's incredible scenery and have their many questions answered about our thirteenth state. Rhode Island has how many miles of coastline? The breathtaking beauty of Block Island is one of the state's how many islands? Readers will also learn how Rhode Island native Samuel Slater started the American Industrial Revolution, and what the quahog is. Rhode Island Red is Mark R. Allio's first children's book. He lives in Barrington, Rhode Island. Award winning illustrator Mary Jane Begin has illustrated many children's books. She lives in Barrington, Rhode Island with her husband Mark Allio.

Customer Reviews

Since I have 3 sets of grandchildren living in 3 different states, a daughter-in-law from another state and we are RI natives living in FL, I bought 6 of these Alphabet Series books and am planning to buy 3 RI books for each of my 3 children. I had them sent to my house so I have read them all. The pictures are great and they are all very informative and interesting. Many times I said, "I didn't know

that." even in the RI book. Great for all ages and a nice house gift for someone moving to a new state.

I am a former elementary school teacher, now retired, and I have a friend who has a 6 year old. They live near Chicago and have never been on the east coast. I thought this would be a nice introduction into where I live. This child loves to read, and books are a big part of her life (I LOVE TO HEAR THAT!). This book was a total success, although hearing that our state bird is a Rhode Island Red (a chicken???) and our state shellfish is a quahog (How do you pronounce that?) was a bit of a shock. The book was very well received. I wanted to send her "The Giving Tree," which is my favorite, but she already had it.

It's difficult to give my daughter a taste of RI while living in CA. This book is wonderful at helping to make her a Rhode Islander! Not only are the illustrations beautiful, but the content is informative as well. I even learned some things, and I lived in RI my whole life!

This is a great children's book, and I have purchased many as gifts for friends and family. The illustrations are works of art, and not only does it teach the ABC's but the popular history of Rhode Island itself. Wonderful, wonderful book! Highly recommended.MK

I purchased this book to share with my grandchildren who live in RI....good way to have them learn the basics of the state they reside in....learned a few facts myself and I am a RI resident.
