# The Burden Of Freedom

## Synopsis

The Burden Of Freedom explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, The Burden Of Freedom should be available to every citizen and on the shelves of every high-school, college, and community library in the country. --This text refers to the Paperback edition.

This book is very important for those who are instructing those who have been incarcerated or just becoming new converts. We must recognize being a child of God, to be successful we must grow by constantly working towards obtaining all God has planned for our destiny. This takes work and obedience on our part.

Brethren this is a Must Read Book it has Sobered Me up as Dr.Myles Explains on Why Irresponsibility is Causing the Mess we are in Today as Nations and Individuals.One of My Best Critical Pieces that Should be Read Not Once!and Taught in Church ,Schools and the by Governments At Large - Joseph Ron Kasozi

Just started reading this book and it is thusfar great. Dr. Monroe goes in great details in the book about the children of Israel coming out of Egypt in bondage of the mind and refuse to change causing a 30 day journey 40 years. It relates to christians today that in order to move up with God we have got to renew our mind. He also shares insight on the garden in which which Adam had management over and when he failed to manage what God expected of him with the forbidden fruit, Adam started the blame game of who allowed it to happen. This is so true today that our society has become professional in blaming others for our plight.This is a must read about management and mismanagement of what God has entrusted us with and how important it is to constantly renew our mind daily and as the word tells us, and to examine ourselves to make sure we are on the right track with renewing our minds. It sheds a lot of understanding on the children of Israel coming out of Egypt and the fear of something new kept them in bondage. I have worked with prisoners and this book really help me understand their mindset and even when they are free, and thinking they can make it in this society, their mind is still in bondage. It applies to our daily lives that change and the price of freedom is not easy, and we have to be presistent to change. I have been reading Dr. Monroe material for decades and he has yet to fail me. If you want to be liberated in your mind to move up in and with God, this is the book explaining why some achieve liberation in the mind, and some of us just stay in bondage becoming professional blamers and underachievers. Well done Dr. Monroe.

One of my top three books of all time. Fortunately, I know the sound of Dr. Monroe's voice, so when I am I'm the act of reading, it's actually his voice and not my inner voice that my brain utilizes to narrate. A pretty cool trick of the brain. About the book; using the example of the children of Israel in bondage to Egypt and their subsequent freedom from that burden, Dr. Monroe shows that freedom doesn't exist as a state of location, but in a state of mind. Also, that there is this responsibility, or price that someone has to pay, or accountability to oneself or another, to secure physical freedom. I've owned several copies, loaned them out, and they have never returned. It's good enough for a Christian to ripoff!

A new look at Freedom. You will understand the true value of freedom and the high cost of Slavery. Learn why Slavery appeals to so many. Freedom is always priceless when we truly understand the total cost of Slavery.

TIRED OF BINDING EVIL SPIRITS EVERY TIME SOMETHING GOES WRONG WITH NO RESULT? THEN I HIGHLY RECOMMEND THIS BOOK TO ALL SERIOUS STUDENTS OF THE BIBLE. THIS BOOKS HAS TEARED DOWN SO MANY OF MY IDEAS OF "TRUE FREEDOM" THAT HAD NOT BEN THOUGHT TO ME BY THE CHURCH. EVEN THOUGH I FINISHED THIS BOOK, I FIND MYSELF READING IT OVER AND OVER AND STILL FIND SOMETHING NEW I HAD MISSED OR FORGOTTEN. HIGHLY RECOMMENDED!!!

This book talks about being responsible adults. Step out of the old mentality, leave the past behind and move forward. Not letting wrong decisions in life hold you back. Take authority and know your potential. Great information.
