I Love My Daddy Because...

Synopsis

"I love my mommy because she gives me great big hugs." "I love my daddy because he takes naps with me." These two beloved, best-selling concept books, richly illustrated by Ashley Wolff, are now available as board books for small hands. The youngest nursery tots will appreciate how phrases and actions from their own experiences also apply to animal babies. Each book begins with an affectionate scene between a human parent and child, but moves on to caregiving in animal families. "She listens when I talk" shows a mamma cat and her mewling kitten. "She tucks me in" features a kangaroo with her joey peeking out of her pouch. "He sings me songs" shows a gray wolf and his cub. In concept, text, and art, these are among the most warm and reassuring lap books ever.

Any father would enjoy getting this admiring book from his young daughter. Both will then experience many happy hours reading the book together. I suspect most fathers will also feel inspired to become even more lovable! The book is organized to show (through a series of beautiful detailed color illustrations) that animal fathers nurture their young also. The book opens with a father and his young daughter playing with hand puppets. "I love my Daddy because he plays with me." Next is an Emperor penguin with a chick ("He keeps me safe and warm."). There is a horned puffin and chick ("He brings me dinner." -- little fish in this case). You will see a bald eagle and a

chick ("He is big and strong.").That is followed by a lion and cub ("He takes naps with me.).The next illustration combines a bear with a kit and a muskrat with a kit ("I love my Daddy because he can build a house.").Humor arrives with a chimpanzee and baby ("He makes me laugh.").Here are the remaining pairs and quotes:giraffe and calf ("He helps me reach things.");gray wolf and cub ("He sings me songs.");common loon with chick ("He takes me for a ride." -- the chick sits on the loon's back);gorilla and baby ("He teaches me to be brave.");red fox and young with a porcupine ("He teaches me to be careful.");jaguar with kitten, anoles, spider monkeys, toucans, parrots, and two-toed sloths ("I love my Daddy because he plays hide and seek with us.");musk oxen and calf ("He protects our family."); andreindeer and calf ("He watches over me at night.").
