Maya, Aztecs And Incas (Shape Books)

Synopsis

The new Shape Books series brings the ancient world to three-dimensional life and reveals the most interesting topics from some of the world's most important empires. Each title is a self-boxed 3-D board book that replicates an iconic structure from an ancient civilization. Page-filling color illustrations and concise text take young readers back in time, where they discover how people lived and what their world looked like. Engaging, interactive and informative, Shape Books are sure to be a hit with curious readers. This book describes the three most important pre-Columbian civilizations in Mesoamerica and how, despite advanced knowledge of mathematics, astronomy and architecture, they eventually disappeared. Topics include language, personal decoration, diet, architecture, city life, sacrificial rites, weaponry, the Maya and Aztec calendars, religion and decorative arts.
