Synopsis

Here is Jim Moore at his best, telling heart-warming stories as he teaches us about the Bible. In this 6-session, video-based study, Dr. Moore uses key Scriptures that distinctively shape us as United Methodists. There are two sessions from the Old Testament and four sessions from the New Testament. Each session lifts up and uses core terms and life application topics taken from the Wesley Study Bible to help you grow as a faithful follower of Jesus as you practice your faith in everyday life. Customer Reviews

Like most of James Moore books, this a very interesting and entertaining study book. We use it in an small group study. Unlike most of his books, this book has no discussion questions and is shorter than most--six chapters. We also bought a dvd that goes along with study, but is not really necessary.

I ordered this book from Goodwill. The book was in great shape and arrived in my mailbox long before the date that said it would. I love to support Goodwill.

Just completed a 5 week bible study using this book and the Leader's book. Good questions, good insights, interesting discussions and learning process for both 'students' and 'teacher' - look forward to doing other Moore studies.
