The Everyday Torah: Weekly Reflections And Inspirations

Synopsis

Like any classic, the Torah appears in different guises with each rereading. Its infinite layers of meaning and depth offer the opportunity to harvest anew, without any fear of exhausting its supply of wisdom, counsel, and kedushah (holiness). To encounter Torah is to encounter God. --from the Introduction

In this inspiring collection, Rabbi Bradley Shavit Artson illuminates the sacred text at the heart of Jewish spirituality. Enlightening and original, *The Everyday Torah* brings the ancient text to life with poignant reflections that will guide you to a deeper understanding of the Torah, of Judaism, of yourself. "Torah goes its weekly way, and we go ours, and do the two paths ever cross? They cross often in many minds and hearts, but when it is Bradley Shavit Artson who provides their point of intersection, the crossroads widens into a town square." --Jack Miles, author of *God: A Biography* "Every page is a joy to read. Many, many readers will treasure this book." --Richard Elliott Friedman, author of *Commentary on the Torah* and *Who Wrote the Bible?* "Rabbi Bradley Artson remains one of the most inviting of modern day teachers of Torah. This book will offer needed guidance and inspiration to all who turn its pages." --Rabbi David Ellenson, Ph.D., president of the Hebrew Union College-Jewish Institute of Religion

Customer Reviews

This book is a very well written aid for daily Torah study. Particularly well suited for those needing some perspective who can't study in the synagogue. Well done. Highly recommended.

What a wonderful book to have! For anyone that has missed Temple or Synagogue more than a couple of times due to illness or lifestyle don't neglect to buy this book. It's a comfort to have.

Very inspirational and enlightening thoughts. This book is a great help when you need a short Dvar Torah. Messages are thoughtful and insightful.

I love this book. It's very easy read, makes a lot of sense, and makes it convenient to keep up on the parshas when I wouldn't otherwise have the time. I would especially recommend it for people who have busy lifestyles, but are still in need of some weekly (or daily?) inspiration and guidance.

While I have not yet finished reading this book, I have enjoyed every moment thus far! While born Jewish, I wasn't raised in the community and without a lot of the background knowledge. I recently started dating a very religious Jewish man who has done a great job of helping catch me up, but this book has helped in so many ways. The format is easy to digest and discuss. I highly recommend it to anyone.

An insightful, thoughtful companion to the parshot for personal introspection or for discussion and contemplation at the Shabbos table! Topics abound, touching and connecting all aspects of the human experience to the depths of Torah and the wisdom of our sages. Well done!

This is an outstanding product, It is everything I thought it would be and more. I have no complaints except one, the shipping of product is very long even for standard shipping.

I just wanted a book to give me a "taste" of the Torah. This was just what I was looking for.
