# North Pole Ninjas: MISSION: Christmas!

## Synopsis

East meets North in North Pole Ninjas, a yuletide call-to-arms to save the spirit of Christmas. You may not know that Santa has a team of special elves, selected for their ability to help carry out top-secret missions that are all about helping, giving, caring, and listening. Anyone who receives this box is called upon to help carry out those top secret missions with a bit of stealth and an open heart. The gorgeously illustrated picture book retells the ancient legend the North Pole Ninjas use for new recruits. After reading the book, readers are given their own Ninja missions to carry out: 50 special tasks packed in a special envelope. Complete with a plush and huggable "sensei" to guide Ninjas on their journey, this is the perfect antidote to worrying about whether you've been naughty or nice.
