Was challenged as a novice deaconess to teach a class on Baptism. This teacher's guide came right on time and touches on all the areas I'm concerned with right now as my first class consisted of 3 9 year old boys and I have yet another tomorrow. God bless you brother Spear.

Very useful when ministering to children and explaining those complicated issues of the church. Well done and interesting for the children.

Great introduction for sharing with a young child what baptism is.

this book really helped my son right before he was baptized! It's very well written,easy for children to understand.

So amazing!!!
