# Lust Of Us, The Vol. 1 (The Lust Of Us)

## Synopsis

Scarlett and Lexi used to live their comfortable lives resolving every problem with a sexy swagger and a big luscious smile on their faces. But when the world got ravished by a zombie apocalypse, things got harder, especially since this new zombie crowd isn't all about eating you alive. They want their other primal instinct satisfied too! Now, day after day, Scarlett and Lexi have to give much more than just a smile to survive. And even that might still not be enough! A sex-soaked spoof of the famous horror/survival video game.

## Customer Reviews

I'd recommend this for those looking for a sexual spoof on video games or popular comic book series that readers or players think about.

A funny take on the zombie clan. Never liked zombies before this book. Cannot wait to see more. Will men make a come back?

A fun book to read to the kids. A fun adventure for the hole family to enjoy. Also learn how babies are made.
