The Sworn Sword: The Graphic Novel (A Game Of Thrones)

Synopsis

In this comic book/graphic novel adaptation set one hundred years before the events in George R.R. Martin's epic fantasy series, *A Song of Ice and Fire*, *The Sworn Sword* follows the adventures of Ser Duncan and his squire, Egg, as they quest for honor and glory in the Seven Kingdoms. After the deaths, surprises, and heroics in *The Hedge Knight*, Dunk and Egg continue their journey in search of the fair puppeteer Tanselle. Along the way, the elderly knight Ser Eustace takes both men under his charge, alongside another knight—and this one promises trouble. Peace is ever elusive for Dunk and Egg, as they are soon embroiled in the schemes of local nobility, while a darker, greater thread threatens to unravel long-held truths of the Battle of Redgrass Field. In classic George R.R. Martin fashion, heroes and villains are never clear-cut, and political alliances threaten to slice the deepest. Yet one path lies ahead for Dunk and Egg: onward toward destiny. Join them as they venture along a now-familiar world but in a time all-new! Collecting *The Hedge Knight II: The Sworn Sword* #1-6, this special edition comes packed with over twenty-five pages of bonus material!

Customer Reviews

The graphic novel adaptation of the second of George R.R. Martin's Dunk & Egg novellas, not only stays true to the originally written story but gives it life with fantastic renderings of all the characters, the locales, and the action. Drawn by artist Mike S. Miller and livened by colorist Mike Crowell, "The Sworn Sword" gives both "Game of Thrones" book and show fans a great look into the history of the

Seven Kingdoms as Ser Duncan (Dunk) the Tall and the future King Aegon (Egg) V learn about the greatest threat to the Targaryen throne nearly a century before Robert's Rebellion – the Blackfyre Rebellion. The story begins almost two years after "The Hedge Knight", Dunk and Egg are in the service to Sir Eustace Osrey who holds a small tower but reminisces about his family's ancient glory and his own immediate family's misfortune. A nearly two year drought has gripped Westeros after the Great Spring Sickness – think the Black Death – resulting in water and people being short, which is when Ser Eustace's stream disappears. After Dunk and another sworn sword, Ser Bennis, search upstream they discover that Ser Eustace's neighbor Lady Webber has built a dam to divert the water. Soon things escalate and the two nobles begin to lob threats and promise blood vengeance as Dunk tries to find a way to make peace. Of the work surrounding the graphic novel itself, I can only praise the work of Miller and Crowell who not only brought into visual life Dunk and Egg but so many other historically important characters in very consistent way throughout the entire book. It is hard to find fault with the work of these two men save with pointing out a few continuity errors, which unfortunately happen in every graphic novel.
